“It’s all about taking care of customers,” said Buck Buchanan, company president. “Under Paige’s leadership and our new reporting structure, the various Fontaine sales teams worldwide will have better coordinated guidance to support our global OEM customers more effectively and comprehensively,” he concluded.

Petroni has been with Fontaine for twelve years, first as Controller, then as Vice President of Finance, then as Vice President of Aftermarket Sales. “I am excited by the challenge of leading the sales and marketing efforts for Fontaine on a global basis, and I feel extremely fortunate to have such a strong sales team already in place,” said Petroni. “I look forward to working closely with our team to better serve our OEM customers worldwide.”
