## NEW FONTAINE FIFTH WHEEL MOBILE APP PUTS THE INFO YOU NEED AT YOUR FINGERTIPS

JASPER, ALABAMA -- Fontaine Fifth Wheel announces a new mobile app designed to empower customers with the information they need quickly and easily. “We listened to our customers and designed the app around their needs. The goal was to make it powerful and simple; and we are getting great reviews from our customers on both counts,” said Paige Petroni, vice president of aftermarket sales. The app is loaded with useful, time-saving features including:

- PARTS GUIDE: Quick reference guide includes schematic drawings to help you visually identify what you need
- SEARCH PARTS: Enter serial number or model number to find the parts you need quickly and easily
- ORDER TRACKING: Track your order by invoice number, sales order number or purchase order number
- MEDIA LIBRARY: Packed with helpful information and “How-To” videos to help you get the job done right
- SUBMIT PHOTO: Choose a photo or shoot a new photo and send it to a fifth wheel expert at Fontaine for help
- SPEC MY TRUCK: A great tool to help you learn which fifth wheel is right for your application
- WHERE TO BUY: Parts and service locations near you are pinpointed on a map
- CONTACT: Connect to a Fontaine Fifth Wheel expert by email, phone, facebook, twitter or fifthwheel.com

“Our customers are busy people who need to get the right information quickly to do their jobs efficiently. That’s what this app is all about,” concluded Petroni. The Fontaine Fifth Wheel mobile app is available at the App store for Apple IOS devices and at Google Play for Android devices.
